THIS HALL IS FOR HIRE!! Seaton Ross Village Hall is a real asset, recently refurbished and with a newly boosted heating system. It sits in the middle of the village with a small car park and roadside parking. The hall can cater for a variety of needs, from small formal meetings to events for up to 80 seated.

It can be used for a range of activities. It is a great venue for kids clubs, birthday parties, anniversary celebrations, wedding receptions and funeral occasions. It is ideal for local clubs and special interest groups such as the Art Group and the Ladies Group. It is suitable for indoor recreation – there is currently pilates, indoor bowls and gentle yoga. We can also cater for small business use, whether that be training, presentations, conferences or client entertaining. We offer a large hall, a small room, a fully equipped modern kitchen, and wifi, projector and screen, and disabled access. We currently only charge £8 an hour, the cheapest rate in the area. For more information see <http://seatonross.org.uk/village-hall/>

A massive **THANK YOU** from Robin Morgan aka “The OAP wing walker” to everyone in Seaton Ross who donated to and sponsored his recent wingwalk in aid of Motor Neurone Disease Association (MND). Despite a slight delay due to the weather conditions he completed his wingwalk trip on the top wing of a 1942 Stearman biplane and had great views of Canary Wharf and the Dartford crossing at 1000 feet at a balmy 32°C. So far Robin has raised over £700 towards research in finding a cure for MND.

MERRY CHRISTMAS & A HAPPY NEW YEAR !!!
