

# Seaton Ross Playing Fields

The Playing Fields have been an integral part of the Village for in excess of 30 years. It is a place where children from the local community can play safely and where parents and grandparents can meet. The Playing Fields are managed by a small group of volunteers who hold a few meetings each year to organise fund raising events to cover the cost of insurance, maintenance and improvements.

We are currently trying to attract just a few new faces to join the Committee. This would not be a big commitment but just a few new ideas and a little extra help would be very much appreciated.

**Our AGM will be held on Monday 13 February 2017 at The Melbourne Arms at 8pm. It would be good to see some new faces.**

**Friends of the Playing Fields.** We have a larger group of Friends of the Playing Fields and they help the Committee with small scale maintenance, preparing events or by attending our fund raisers. If you would like to join this email group please complete your details below.

**Grass Cutting Rota.** We also have a group of volunteers who cut the grass around the play equipment during the grass growing season. There is a lawn mower in the container at the Playing Fields and all the fuel is provided. Everyone usually just needs to take one turn per year. If you are already on the grass cutting rota we will assume that you are happy to stay on, unless we hear otherwise, but if you would like to join please complete your details below.

If you want to speak to one of the Committee we are: Rob Brook (Chair), Vanessa Wood (Secretary), Suzanne McLoughlin (Treasurer), Sarah Hunt and Nigel Goddard.

	Yes	No
I would be interested in joining the Committee:		
I would be interested in joining the Friends Group:		
I would like to help with the grass cutting rota:		
I cannot help with any of the above but can help in the following way:
