Seaton Ross Fireworks

This will be a first for a long time ... Seaton Ross will be having a fireworks display on **Saturday November 1st**. This is early warning before people fill up their diaries – support your local village. The plan is in it's infancy, but it will be at the playing field, everyone is welcome, followed by a family orientated disco at the Black Horse. Great fun for everyone with the added benefit of local fund raising. More news in the next edition of the Seaton Ross Times. Please put the date in your diary and we look forward to seeing you on the night.

Feast 2008

Unfortunately the weather very nearly won the day this year. Thanks to all the organisers, participants and stalwarts who turned out in spite of it. They were treated to a variety of entertainment – from rides in a rally car to watching and participating in the birds of prey display.

The Scarecrow /Wheelie Bin Competition was won by **Gwen Burnell**. Her Dick Turpin wheelie bins was magnificent.

It's A Knockout

Competition was fierce in this year's "It's a knockout competition". With all competitors finding the going - well, wet – a little bending of the rules was seen...

The **Stokesley Tractors Trophy** went to "Julies Toy Boys", narrowly beating last year's winners "The Old Gimmers" in the final race of the event. Competitors were certainly trying, judging by their struggle to move for the rest of the week, though great fun was had by all...

Thank you to everyone who entered
