The weather was kind for the Family Fun Day on 8th June and a good afternoon was had by all. It was also great to see so many children on the play equipment at Seaton Fest.

Maintenance

The Playing Fields is looking much smarter since SRPFA paid for a new fence to be put up. Seaton Ross Playing Fields Association would like to thank everyone who has cut the grass so far this season. Please remember there is a container for fuel in the container and an account at the shop.

ST EDMUND'S CHURCH

The Rev. Canon Stephen Cope is the new Rector of the Holme on Spalding Moor and Seaton Ross Group and we look forward to welcoming him to our parish. He was formerly at Withernsea. He will be installed officially at a service at Holme on Spalding Moor church on 1st September at 7.30pm. Everyone is warmly welcomed.

Seaton Ross and the Great War

This month sees the 100th anniversary of the start of the Great War. Many from Seaton Ross and the surrounding area answered the call to arms and their names are written on plaques in St Edmund's Church. The PCC has put together what we know of those who fell and some of those who returned, and this will be on display in the church, which is open daily, until Remembrance Day in November. All most welcome.

Christmas Tree Festival weekend of 20/21 December – all village organisations, families and individuals are invited to put a decorated "tree", any size from 12cm to 2m, and in any material, in the church for the weekend. The church will be open for the whole weekend for everyone to enjoy the display, culminating in a carol service on Sunday evening. For more information ring Julie 318545.

Seaton Ross Parish Council

The **next meeting** will be on Friday 29 August at 7.30pm in the Village Hall. A village plan meeting is being arranged for late September/early October.

Seaton Ross Parish Council Chair's Annual Report 2013-14 presented at the May AGM

The Parish Council has held eight full meetings and five planning meetings through the year dealing with business from planning applications to defibrillators.

1. The parish had input into the revised 195 bus service which commenced 29 April this year.
2. Major improvements were carried out on Seaton Common Lane in September 2013. We contact ER Highways Department regularly to ask for more permanent road repairs.
3. The Streetscene team continue to do "running" repairs.
4. A second smaller communal salt bin has been purchased with money from the Local Winter Grants provided by the East Riding and installed next to the telephone box. The same fund has been used to update heating and heater guards in the village hall.
5. A defibrillator has been installed and training will be offered in June.
6. The Parish Council still needs some more Community coordinators (ideally one for each street) for the Village Emergency Plan. If you would like to help with this please contact the Clerk on 319223.
7. The PC continues annual grants to the Village Hall, Playing Field and Church, and finances the domain and hosting for the village website. Any village organisation can apply to the Parish Council for some funding as long as a business plan is provided and the project benefits the village.
8. The village website is now on a new platform and is being managed by Manuela de Sousa Ferreira. We thank her for all her work with the website. If you have village information to add or suggestions about the website please use the Contact form on the website seatonross.org.uk
9. The Parish Council has set up a committee to look at whether a Local Plan or Neighbourhood Plan or neither would be appropriate for Seaton Ross.
10. The Parish Council is looking in to the viability and cost of CCTV for the village, to help combat burglaries.
11. EYRC is committed to improving broadband provision. The Parish Council keeps a watching brief on this but is also included in consultation about the possible use of Quickline Communication, a wireless and fibre network.
12. Peggy Hesketh has resigned from the Parish Council after 11 years. We thank her for her commitment to the village. A new councillor will be coopted at the next Parish Council meeting. There will be parish council elections in 2015.
13. The Annual accounts are available for viewing at any reasonable time by request to the Clerk. The precept has again been held at the same amount as last year, £3700.
