

Seaton Ross Playing Fields Association

Seaton Ross Playing Fields Association is a registered charity. It was set up 30 years ago to purchase land and provide play equipment for the village community. Since then the Seaton Ross Playing Fields Association has continued to raise money over the years to insure, maintain and replace the play equipment.

AGM

The AGM was held at 8pm on Wednesday 30 January 2013 in the Black Horse pub. Thanks to all who attended. A small committee has been formed and officers were elected for the forthcoming year. However, there is a growing concern that the Seaton Ross Playing Fields Association will not be able to continue unless more people are willing to help run this asset for our village.

If you think you could help Seaton Ross Playing Fields Association in any way please telephone Suzanne Macey on 01759 318413 for further information.

Grass cutting

The committee would like to thank all those who volunteered to help maintain the Playing Fields last year by cutting the grass. A number of people have been providing this support for many years and it is very much appreciated.

The grass cutting rota will be issued in March and the committee would appreciate any additional offers of help with this job. There is a mower available and fuel is provided. Please telephone Suzanne Macey on 01759 318413 if you think you can help. Thank you in advance for your support.

Rubbish bags, gloves, high vis jackets and litter grabbers will be provided. The more there are of us the smaller an area each will have to cover.

Bus services

From January 2012 to the end of March 2013 local parish councils gave some financial support to the early morning and evening bus service to and from York to ensure that it could continue. The funding is now being considered for 2013-14. Please support your local buses to make sure the villages do not lose any services. Don't forget that the morning and evening X36 buses are operated by **Transdev** and their timetable is at

<http://www.yorkbus.co.uk/times.jsp?routeID=252>

The middle of the day services are operated by East Yorkshire Motor Services <http://www.eyms.co.uk/content/busservices/busservices.aspx>

Library van times

The Library van visits Seaton Ross on alternate Wednesdays, and will be in the village on Wed 27 February and every 2 weeks thereafter. It carries a good selection of fiction, non-fiction, large print and children's books and offers a request service for books they don't have on the van. Also books taken out from other East Riding of Yorkshire Libraries can be returned to the mobile library. It makes 3 stops, in North End near Sundial Cottage from 1.40 to 2pm, West End from 2 to 2.20pm, and at the far end of South End at the bus terminus from 2.30 to 3pm. You can join the East Riding of Yorkshire Library on the library van & exchange vouchers for your brown bin caddy liners.

Do support this service.
