### **Considerate car parking**

Please park so that buses can get through the village. On 12<sup>th</sup> September the 7.00 a.m. Pullman double decker could only get as far as the triangle at the end of Mill Lane. Two cars were parked in such a manner just round the corner that the driver couldn't get through and had to turn round outside Halifax House. He should have turned round at Park Farm lane end so missed at least three stops. Thank you.
