

Seaton Ross Parish Council

The next meeting of the parish council will be held on **Tuesday 13th September** at 7.30pm in the Village Hall.

Two ward councillors, Andy Burton and David Rudd, recently attended a joint meeting of Melbourne and Seaton Ross parish councils to help and advice about our way forward with the condition of Ash Lane and the cancellation of the early morning and early evening 195 bus services from 5th September. The councils are now looking at various options for providing an alternative bus service and will keep everyone informed. There is also a Facebook page called "Save the 195", set up by a 195 user, which has further information.

Stop Press:

York Pullman are taking over the early morning Monday to Friday bus service for a trial period of four months from Monday, 5th September. The service will be re-numbered X36 and will leave Seaton Ross ten minutes EARLIER at 06.59. It returns from York 18 minutes LATER than at present, at 17.50, arriving Seaton Ross 18.29. We understand that it is very much a case of 'Use It Or Lose It'. The parish councils on the route will have to look at helping to finance it but this will also depend on use.

Thank you from Keith and Tess Hodgson, Ings Farm

Keith and Tess Hodgson would like to thank everyone for their help and assistance when our horses ran through the village. We are truly grateful for the concern shown, both to the horses and to ourselves, we are also grateful that nobody was injured and we apologise for any damage caused.

Anyone who wishes to see our horses and carriages are welcome to come and visit. Please contact Keith: telephone 01430 861859 or email hodgsonbuild@gmail.com
