Collecting information and updates for Seaton Ross Times - help needed

Would you like to help keep the village informed by collecting and writing up information for the bimonthly Seaton Ross Times? A copy goes to every house in the village. The layout and copy-ready text is done by Graham, the copies are made by Agilico and there is a team of people happy to deliver the Times. If you are interested and think community updates are important or have new ideas about how it should be done please contact Jane on hja2hja2@gmail.com or 318411. Without help the Times will no longer be produced.

St Edmund's Church

Services – all welcome

Informal **family harvest service** 10am on 25th September.

Holy Communion 9am on 11th September, 9th and 23rd October.

Please note that there will not be a harvest auction this year. Instead the Church is sharing a harvest supper with the village hall on Friday 14th October.

Dog Meet & Greet

Every second Saturday of the month 10-11am, the roadside field at Chapel Farm is available for local dogs to play off the lead in a secure area. It's an opportunity for the dogs to socialise and for the owners to have a good chat!

This year any voluntary contributions at the Meet and Greet will go to the local charity Dementia Forward.

Any queries - contact Davina on 318970.

Any submissions for the November - December issue please ring 318411 or use the contact form on the village website seatonross.org.uk/contact/ no later than Monday 21st November

The Seaton Ross Times is printed for our community by Agilico, formerly United Carlton.
