#### Seaton Ross Playing Fields Association

If you think you can help in any way to support this excellent community asset, please come down to one of our next meetings (**Wednesday 26th July** and **Wednesday 23rd August**) at the **Black Horse pub** at **7.30pm** for about an hour. Alternatively, you can email [andrew.gill@srpfa.org](mailto:andrew.gill@srpfa.org) for further details on ways you can help keep the Playing Fields open.

### Hedgehogs

You can encourage hedgehogs into your garden by providing fresh water and food (tinned cat or dog food/crushed cat or kitten biscuits). Hedgehogs are nocturnal but you might see an adult hedgehog during the day if their nest has been disturbed or they're struggling to find food, particularly during dry weather. If it's a mum popping out for food/water during the day, she will be moving with purpose. If there are obvious signs of injury or pests (e.g. flies, ticks, maggots), it doesn't seem interested in food or doesn't try and roll up when approached, it definitely needs urgent help. If you see any hoglets out during the day there is definitely a problem. The key to their survival is keeping them warm and getting them to a rescue charity or vet as fast as possible. Use gloves or a folded towel to place the hedgehog/hoglet in a high sided box. You can get advice and help from:

- Hedgehog Cottage Rescue: [Hedgehog Cottage Rescue | Facebook](#)
- Hedgehogs at Holme: 07778 445854 or <https://www.facebook.com/hedgehogsatholme>
- Wicstun Veterinary Group: 01430 873219
